ROLL-N-LOCK warrants its products, when purchased directly or from an authorized reseller, to be free from manufacturer's defects for a period of three (3) years from the date of purchase. During this period, ROLL-N-LOCK, or its authorized dealer, will repair or replace at no expense to the limited warranty holder, any part found to be defective as a result of the manufacturing process, subject to the limitations and exclusions below (See HOW TO MAKE A CLAIM below).

ROLL-N-LOCK warrants only against defects that arise as a result of normal use of the product in normal environmental conditions. ROLL-N-LOCK does not warrant against the following: (a) improper installation, including, but not limited to, installations performed not in accordance with installation instructions and warning labels; (b) extreme environmental conditions, including, but not limited to, temperatures below negative thirty degrees Fahrenheit (-30°F) or above one hundred-twenty degrees Fahrenheit (120°F); (c) water intrusion, including, but not limited to, leaks as a result of normal use; (d) misuse, abuse, modification, tampering or alteration; (e) improper maintenance; (f) operation outside of the product specifications; (g) normal wear and tear, cosmetic damages or fading or deterioration of the finish caused by exposure to sunlight or chemicals and/or other unusual environmental conditions; (h) negligence; or (i) accidents, flood, fire, earthquake or other acts of God.

This warranty does not extend in any respect to accessories or parts not produced by ROLL-N-LOCK and shall not extend to any consequential or incidental damages. This warranty is expressly in lieu of all other warranties expressed or implied, including the warranties of merchantability and fitness for a particular purpose and of all other obligations or liabilities on the part of ROLL-N-LOCK. ROLL-N-LOCK neither assumes nor authorizes any other person to assume for it any other liability in connection with the sale of its products.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limits on implied warranties, therefore the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. ROLL-N-LOCK does not warrant any products purchased from unauthorized resellers or any products whose serial number has been removed or defaced. HOW TO MAKE A CLAIM

For products purchased from a brick and mortar dealer, the party claiming must notify the dealer from whom the product was purchased of the defect or malfunction. The dealer will inspect the product and consult ROLL-N-LOCK to be covered by its warranty. ROLL-N-LOCK will immediately send, at no cost to the warranty holder (including freight expense within the continental U.S.A.), the replacement part or parts necessary to correct the defect. If the problem is determined to be caused by improper installation by the dealer, the dealer will, in accordance with his obligation to adhere to ROLL-N-LOCK's authorized dealer warranty policy, immediately rectify the problem.

For products purchased from ROLL-N-LOCK directly, a ROLL-N-LOCK internet dealer or any other authorized outlet that excluded the service of installation, and the warranty holder performed the installation on a do-it-yourself basis, the warranty holder may, at ROLL-N-LOCK's option, be required to return the defective parts, properly packaged and at the warranty holder's expense, to ROLL-N-LOCK's warranty department at the address below. The warranty holder should include a product I.D. number and a brief description of the problem. If the part or parts are found to be defective, the replacement part or parts will be immediately returned to the warranty holder at ROLL-N-LOCK's expense (limited to the continental U.S.A.). If the warranty holder requires assistance, he may call ROLL-N-LOCK directly at 1-800-952-7655. ROLL-N-LOCK maintains the highest possible standards of manufacturing and quality control. Accordingly, it expects its dealers to adhere to a similar standard when installing its products and upholding this warranty.
